Base culla (vuota) **PBJE**

Base step composta da 3 elementi: base, schiena e triangolo brandizzato. Tutti questi componenti sono reversibili in modo da essere utilizzati con fresature che corrono sia verso destra che verso sinistra. La base è componibile permettendo l'assemblaggio di più moduli per formare una struttura più grande. Il triangolo brandizzato viene fornito con viti di montaggio.

Base step composta da 3 elementi: base, schiena e triangolo brandizzato. Tutti questi componenti sono reversibili in modo da essere utilizzati con fresature che corrono sia verso destra che verso sinistra. La base è componibile permettendo l'assemblaggio di più moduli per formare una struttura più grande. Il triangolo brandizzato viene fornito con viti di montaggio.
